

## MSSNYPAC REPORT TO THE MSSNY COUNCIL

Thomas Lee, MD, Chair  
Michael Brisman, MD, Co-Vice Chair & Inderpal Chhabra, MD, Co-Vice Chair

January 26, 2023

This report reflects the financial status of MSSNYPAC during the 2022 fiscal year period of 1/1/22 through 12/31/22. We have collected \$162,304.41 from 477 individual supporters. Each dollar contributed to MSSNYPAC is split between operating expenses and contributions to candidates in a ratio of 2:8. For comparison, prior year collections for the same time period are as follows:

2021: \$186,249.37 from 451 supporters.  
2020: \$151,682.21 from 408 supporters.  
2019: \$235,978.86 from 636 supporters.  
2018: \$256,177.60 from 722 supporters.

**Thank you, Dr. Rose Berkun.** MSSNYPAC extends its deepest appreciation for the many years Dr. Rose Berkun skillfully served MSSNYPAC as Co-Chair. Dr. Berkun is a champion advocate for physicians throughout New York State and within the anesthesiology specialty at the state and federal levels. Her advocacy work on scope of practice issues, local political involvement, and her adeptness as a Physician Advocacy Liaison has raised the profile of MSSNY and MSSNYPAC among legislators from Erie County and among physicians throughout western New York. Dr. Berkun's dynamism and enthusiastic approach to MSSNY's political action strategies and engagement of local physicians in collective political action will be missed. MSSNYPAC leadership wishes her great success in her future endeavors.

**Post-election PALs.** Personal relationships with legislators are key elements of a successful advocacy strategy. Do you or a physician in your county have a personal relationship with an incumbent or newly elected member of the NYS Senate, NYS Assembly, US Senator or Representative or their staff? Our Physician Advocacy Liaisons (PALs) have a personal relationship or intentional relationship with an elected official and is available to contact their legislator at specific points during the legislative development cycle to relay pertinent information to their legislator. With so many new legislators filling long-held seats, it is crucial to identify and develop physician contacts with each legislator. Please sign up to be a PAL at [www.mssnypac.org/pal](http://www.mssnypac.org/pal).

**MSSNYPAC thanks its 2022 and 2023 donors!** The efficacy of MSSNY's policy formation is enhanced by the relationships our donors continue to build with elected leaders. MSSNYPAC support enables physicians to participate in the political process and is critical to keeping lines of communication open with policymakers. If you'd like to join with us, please visit [www.mssnypac.org/contribute](http://www.mssnypac.org/contribute) to select your membership level. Text **MSSNYPAC** to **52886** and a donation link will be sent to you.

**New BOE form for LLCs/PLLCs.**

There is a revised [Statement of Identity form](#) available from the NYS Board of Elections for those who donate to MSSNYPAC (or any other political committee in NYS) using funds drawn from a PLLC or LLC. A Statement of Identity is required to be received by the NYS BOE by 12/31 of any year in which the PLLC/LLC makes any political contribution. Only one form per entity needs to be filed in any year in which a donation to a political committee is made. The contribution is applied commensurate with the percentage ownership interest of the individual members of the PLLC/LLC.

For additional guidance on these requirements, please contact the MSSNYPAC office at 518-465-8085.

Thank you.
